Environmental Law Pillar-Side Chat With Professor Herz

Cardozo Environmental Law Society

Monday, November 18 at 4 pm

Room 512

Please join us for a pillar-side chat and early supper with our resident expert on environmental law. Professor Herz will thrill us with tales of the heyday of environmental law success, and then ground us in the (unfortunate) reality we now face with a synopsis of the current state of affairs. Students will have a chance to ask all of their questions and voice their concerns. What career options are available? What can I do now? Is the Green New Deal the real deal, or is it just a squeaky wheel? We'll laugh, we'll cry, we'll have Realtalk over pasta and a kale salad.

The Heyman Center on Corporate Law & Governance invites you to a Heyman Lunch Speaker Series event:
