Professor Jessica Roth Speaks on Bloomberg Radio about Impeachment

Professor Jessica Roth was guest on Bloomberg Radio, where she spoke about the recent developments in the White House Impeachment Inquiry.

On House Speaker Nancy Pelosi's Impeachment Managers, Roth said:

"She's clearly made some very strategic choices in terms of putting together a team of managers to bring a diverse set of skills and backgrounds to the process."

On documents admitted to evidence, Roth said:

"Whether or not they're actually admissible will depend really on counting to 51 votes in the Senate."
