The Center for Rights and Justice Presents

RIKERS

a documentary film from Bill Moyers

The Center for Rights and Justice invites you to attend a screening of the documentary film *RIKERS* followed by a panel discussion with the filmmaker and the deputy director of New York City Office of Public Advocate.

"A beautiful, yet deeply disturbing film. *RIKERS* shows a highly organized system of violence, where people are treated like they are less than human and leave detention more badly damaged than when they entered."

-Michelle Alexander, Author of *The New Jim Crow*.
