GRIP ON THE IPO AND
SPARKED A REVOLUTION

DAKIN CAMPBELL

Dakin Campbell is the chief finance correspondent at Insider, where he writes profiles, features and investigations about the finance and technology industries. He has written extensively about Goldman Sachs, initial public offerings, and how hustle culture has led to banker burnout. Before joining Insider in 2018, he spent 10 years at Bloomberg News.

Megan Baier represents some of the most innovative global technology and biotechnology companies in the world. She focuses her time helping clients navigate capital markets and M&A transactions as well as a variety of corporate governance issues.
