Floersheimer  
Center for  
Constitutional  
Democracy

at Cardozo School of Law

**CDLI**

CARDOZO DATA LAW INITIATIVE

The Floersheimer Center for Constitutional Democracy, the  
Cardozo Data Law Initiative & the Cardozo Data Law  
Society present:

## **A Cardozo Tech Talk: The Paris Call and the Emergence of Global Cybernorms**

Duncan B. Hollis, Professor of Law at Temple Law School, will discuss the **Paris Call for Trust and Security**, the first global multi-stakeholder document on cybersecurity, in conversation with Cardozo Professor Deborah Pearlstein, Co-Director of the Floersheimer Center.

The Paris Call, signed by more than 300 governments, companies such as Microsoft, Google and IBM, NGOs, and universities, reflects an emerging consensus on the need for "cybernorms," an agreed-upon set of expectations for how actors in cyberspace must behave to ensure the system remains open, stable and secure.
