invite you to:**

Deconstructing Smart (Legal) Contracts

Learn more about the emerging technology of smart contracts, its applications, and how it may impact the way lawyers and the financial world works.

Smart contracts hold significant potential, but also have legal and practical challenges.

This interactive panel discussion will explore the definition of smart contracts; why they matter, especially to lawyers and the financial services sector; what are their pros and cons; and what are the prospects for their near term implementation at scale in the legal world.

Panelists:

- **Joseph Green** - Counsel & Director of Client Experience, Gunderson Dettmer
- **Bridget Marsh** - Executive Vice President and Deputy General Counsel, The Loan Syndications Trading Association
