Described by former Bergdorf Goodman fashion director and Instagram #menswear sensation Nick Wooster as a lawyer who stands out not just for his clothes but for "his intelligence, wit and capability for action," Cardozo Adjunct Professor Douglas Hand is singularly qualified to give professional men sartorial advice. In his recent book, *The Laws of Style: Sartorial Excellence for the Professional Gentleman*, Hand defines the rules for dressing for professional success. Come listen to him speak with Cardozo Professor of Law Christopher J. Buccafusco regarding how a professional gentleman not only can elevate his style game through tailored self-expression but enrich his life as well.
