Professor Gabor Rona Helps Families Pursue UN Special Session to Address Police Bruality

Professor Gabor Rona is part of a legal team representing the families of George Floyd, Breonna Taylor, Michael Brown, and Philando Castile. The families have been working with the ACLU to demand a special session of the UN Human Rights Council to address police violence against Black Americans and violent repression of the ensuing demonstrations.

Professor Ed Zelinsky Quoted About Constitutionality of PPP Funds in Forbes

Professor Ed Zelinsky was quoted in Forbes about the Constitutionality of PPP funds: "Suppose, for example, that Congress had foreclosed PPP loans to religious institutions. There is no more entangling enterprise than drawing the line between religious and nonreligious institutions. Is my local YMCA or JCC a religious entity?"

Professor Alex Reinert Writes in Politico Regarding How Congress Can Help the Protesters

"All Congress needs to do is provide a statutory right to pursue constitutional tort claims comparable to those brought today as Bivens actions," Professor Alex Reinert wrote in Politico regarding how Congress can help stop federal officials from abusing protesters.

Professor Kate Levine Quoted in Vox, San Francisco Chronicle and Law360 About Policing

Professor Kate Levine told Vox she is skeptical about the degree to which public disclosure of the misconduct records will help bring accountability. "I have not seen any evidence that having these records be public leads to a less brutal police force," Levine said. "There needs to be radical change in the way policing is conducted."

CLIHHR's Law Teaching Guides: Trademark Law and the Aunt Jemima Brand

As the Aunt Jemima brand name and image is dropped due to its use of racial stereotypes, CLIHHR's Law Teaching Guides help explain how trademark law fails to take into consideration the unique nature of cultural property and traditional knowledge, and the impact that failure has on marginalized communities.
