**The Kathryn O. Greenberg Immigration Clinic Presents:**

## **Protecting Immigrant Communities in the Age of Trump: A Lecture by Professor Peter Markowitz**

---

In the days since the Trump administration issued its executive order halting immigration from seven majority-Muslim countries, Americans have had a crash course in immigration law.

Professor Peter Markowitz will review immigration law and constitutional conflicts arising out of the executive order.

The lecture will lay out the legal responses, personal impact and lessons to be learned for future lawyers and the public at large.
