COVID-19 Legal Impact Program (CLIP) - Session 4

Insurance Law

Friday, July 10th, 12 noon - 2:30 pm

Please join the Center for Public Service and the Heyman Center on Corporate Governance for our fourth session of Cardozo's COVID-19 Legal Impact Program (CLIP). CLIP will allow you to build skills, network with practicing attorneys, and immerse yourself in some of the legal community's most pressing issues, particularly in light of the pandemic. This program is offered at no cost to students, and you are welcome to participate as many of the sessions as you would like.

Our fourth session on Friday, July 10th, will be presented by two attorneys who practice in insurance law: Peter Halprin '09 and Mikaela Whitman '08, both Partners at Pasich LLP (and both Cardozo alums). They have been navigating a variety of evolving issues related to business interruption insurance, cyber insurance and other novel issues throughout the pandemic and are excited to share their insights with you.

Click below to register for access to Cardozo's CLIP Canvas page. To participate in any of the CLIP sessions, you will need to register for our page on Canvas, which is where you can access all reading material, journal assignments, speaker information, and the Zoom login links.
