Cardozo's 2021 Inspire! Awards  
Tuesday, May 25 at 5:30 pm EST via Zoom

Cardozo's 29th Annual Inspire! Awards will be held in a virtual ceremony to celebrate our student and community 2021 Inspire! Awards recipients on Tuesday, May 25 at 5:30 pm EST. The Inspire! Awards celebrate students and community leaders who made strides this past year in public service. We invite you to join and celebrate the honorees and our students' achievements!

We are thrilled we will be joined at the 29th Annual Inspire! Awards by Community Impact Honorees, Lawrence Garbuz '95, Adina Lewis '95, and Jacqueline Haberfeld '91. Our 2021 honorees have each pursued inspiring efforts that enabled others impacted by the pandemic to find resilience. When the pandemic began, Mr. Garbuz was one of the first patients in New York diagnosed with COVID-19. He and his family, including his wife and law partner, Adina Lewis, experienced a most tumultuous and public experience related to his illness. The resilience they have demonstrated throughout his recovery, and the support they have provided to others impacted by the pandemic, has been inspiring for the Cardozo community. They have also set an admirable example for the public at-large about how sharing your story brings healing and strength to others. Ms. Haberfeld is Global Director and Pro Bono Counsel at Kirkland & Ellis, and

co-founder of the Lawyers for Good Government and New York City Bar COVID-19 Legal Clinic. The Clinic is a national model for assisting small businesses with COVID-related legal issues. The project has promoted resilience by providing pro bono services to thousands of small business owners impacted by the pandemic with questions regarding employment, real estate, insurance, bankruptcy, and contracts/force majeure. We were grateful Ms. Haberfeld shared her work with the Cardozo community last summer when she led a presentation about the project during Cardozo's COVID-19 Legal Impact Program.

We hope you will join us for the celebration! Please RSVP below to receive the Zoom login information.
