COVID-19 Legal Impact Program (CLIP) - Session 7
Bankruptcy and Restructuring
Friday, July 31st, 12 noon - 2:30 pm

Please join the Center for Public Service and the Heyman Center on Corporate Governance for our seventh session of Cardozo's COVID-19 Legal Impact Program (CLIP). CLIP will allow you to build skills, network with practicing attorneys, and immerse yourself in some of the legal community's most pressing issues, particularly in light of the pandemic. This program is offered at no cost to students, and you are welcome to participate as many of the sessions as you would like.

Our seventh session on Friday, July 31st, will feature an important and very timely discussion about bankruptcy and restructuring during the COVID-19 pandemic. The discussion on corporate

restructurings will be led by Susan Golden '87, Partner at Kirkland & Ellis LLP. Prior to joining Kirkland, Susan served as a trial attorney with the U.S. Trustee in the Southern District of New York (a division of the U.S. Department of Justice). We also will be joined by William Kransdorf, Director of the NYC Bankruptcy Assistance Project at Legal Services NYC, who will discuss personal bankruptcies and how his clients have been particularly impacted by the pandemic.

Click below to register for access to Cardozo's CLIP Canvas page.
To participate in any of the CLIP sessions, you will need to register for our page on Canvas, which is where you can access all reading material, journal assignments, speaker information, and the Zoom login links.
