Cardozo Law News Brief

Spotlight on News from the Cardozo Community

In the News

Professor Deborah Pearlstein Talks to ABC News about SCOTUS

"The stakes for the court are pretty high," said Pearlstein. "With a very solid conservative majority...and justices already on the bench who are known to want to elevate the rights of corporations...we could see precedents going back to the 1930s called into question."

Professor Kate Shaw is a Panelist on ABC's This Week

"We're not just on the eve of an election, the election is happening," said Shaw. "The democratic legitimacy concerns are exponentially greater if there is a moving forward with any nominee before we know who the winner of the election is."

Professor Kate Levine Talks about the Taylor case in The Washington Post and New York Times

"These are legal realities," Levine said of the difficulties in proving a stiffer charge against the officers in the Breonna Taylor case, given officers' claim of self-defense. "That said ... I understand why people will be very upset." Read more in [The Washington Post](#).

Professor Sam Weinstein Comments on Google Antitrust Case in Business Insider

"If the case is just on search, they're going to have to show that Google has monopoly on it. It seems like they can probably do that," said Weinstein.
