Cardozo News

Professor Michelle Adams Talks About Personal Experience and Affirmative Action in The New Yorker

"Where I think about interventions, I think lowering barriers to entry so that people who have lower incomes can move into areas where folks have higher incomes and have access to resources," Adams says.

Professor Kate Levine Comments to Vice About the Dangers of Knock-and-Announce Warrants

"Unless you get rid of this kind of night raid, you're still going to end up with violence against people who are asleep in their beds," Levine says. "This is a good example of something that may have been legal, but still leads to outcomes that seem really at odds with any goal of maintaining public safety."

Professor Edward Zelinsky Files Legal Challenge, Arguing That New York's Convenience of the Employer Tax Rule Violates the Constitution

"That doctrine leads to irrational tax overreach which encourages individuals to sever their ties with New York in the post-pandemic world," Zelinsky says.
