Dean Leslie Comments to CNN Business about Activision Lawsuit

"Most important, internal investigations do little to get at the real problem — the need to change a particular corporate culture," Dean Leslie says. "What's really needed is effective ethical leadership."

Professor Kate Shaw Testifies Before Senate Judiciary Committee, Focusing on Conflicts Between Executive Privilege and Congressional Oversight

"My view as a scholar and a former White House lawyer who believes both in a constitutionally grounded executive privilege and in the importance of robust congressional oversight is that the current process is very much in need of reform," Shaw says.

Professor Edward Zelinsky's Legal Challenge to NY State Tax Rules Reported in Bloomberg

"New York's continued application of the 'convenience of the employer' doctrine in this kind of case is economically self-destructive," Zelinsky says in the petition to the Tax Appeals Tribunal.
