Summer Stipend Mandatory Meeting & PILC Fair 101

Session #3: Monday, November 22, 4:00 - 5:30 pm, Room 424/Zoom

Cardozo offers a stipend for students working in unpaid legal internships in public service during the summer. If you think you will need funding to work at a 501(c)(3) nonprofit organization, government agency, or judicial chambers, or IF YOU ARE UNCERTAIN where you will intern next summer, you should attend one of these meetings, where you will learn about the stipend and the requirements to receive it. You do not have to have an internship lined up to attend the meeting and apply for the stipend. To be eligible for the stipend, attendance is required at one of the three times this meeting is being held, and there are no exceptions. Each meeting will be held in a hybrid format, so you can either attend in person at the room indicated, or login remotely. If you plan to login remotely, please note that you will be required to have your screen on, so you should plan to be in a space that will permit you to do so. Attendance will be taken at the end of the mandatory part of the program.

Even if you participated in Cardozo's Public Service Summer Stipend in Summer 2021, you are still required to attend this meeting to be eligible to receive the stipend in Summer 2022.

The PILC 101 part of the program will help you learn how to register and navigate the PILC Fair website, to maximize your opportunity for securing interviews for public service summer internships and post-grad jobs.
