Professor Kate Shaw Breaks Down Details of Texas Abortion Ban For Good Morning America

"Any person can file a lawsuit against either an abortion provider or anyone who aided or abetted the securing of an abortion," Shaw says. "The law on its face exempts the women who obtain abortions from being sued, so it's really about everyone around the women."

Professor Sam Weinstein Talks Epic v. Apple on Yahoo! Finance Live

"The worst-case scenario for Apple would have been the judge saying that they are a monopolist in the App Store," Weinstein says. "That would have been terrible for Apple, and it would have been terrible for other companies that have a walled garden setup because then they all immediately become monopolists." Weinstein was also quoted in [Yahoo! Finance](#) and [The Wall Street Journal](#), [Bloomberg](#), [The Washington Post](#), and [Reuters](#).
