Class of 2022 Achieves 93.7% Overall Employment Rate

The graduates of the Class of 2022 didn't just get post-graduate jobs, they are forging forward in their careers.

"The national and international law firms, non-profits, corporations and agencies who recruit at Cardozo say what we already know about our students and graduates--Cardozo produces brilliant lawyers with practical skills, passion and drive. So it's never a surprise to hear about how impactful our graduates have been in their careers," said Carey Bertolet Grand, Dean of Career Services.

94.4% of the Class of 2022 are either employed or persuing further education, and of that, 91.6% of them are in Gold Standard jobs. Our overall employment rate is 93.7%.
