YESHIVA UNIVERSITY

The Cardozo School of Law Environmental Law Society, Art Law Society, and Intellectual Property Student Association invite you to:

A Blade of Grass: Mock Trial

A Blade of Grass Fellow Aviva Rahmani is the artist behind the work *Blued Trees Symphony*, an ecological artwork. The artwork is being made with the intention of using the Visual Artists Rights Act (VARA), copyright law, to defend land in New York, Virginia, and West Virginia that is subject to eminent domain because of proposed natural gas pipelines.

This mock trial will explore whether the status of the artwork under VARA trumps eminent domain takings by corporations. Experienced VARA litigator Gale Elston (Cardozo alumna) will represent the artist.
