Professor Deborah Pearlstein Discusses Trump Documents and Executive Privilege with CNN

"If the sitting president has said he's not going to assert privilege, then there's a certain amount of time (before) the documents then have to be released unless the former President succeeds in getting a court order, an injunction, for example, prohibiting their release," says Pearlstein. "That would require a pretty significant ruling by a federal court."

Professor Sam Weinstein Comments on Epic v. Apple in Yahoo! Finance

Weinstein says, "If I were a betting person I would say that they'll get a temporary stay." Apple asked a federal judge to hold off on enforcing an order that would force it to change some of its App Store policies while they appeal the ruling.
