Navigating Labor & Employment Law in the time of COVID-19

**Wednesday, May 20
5 p.m.**

This webinar will address the impact of COVID-19 in the field of labor and employment law.

Since this global pandemic hit the United States, all aspects of employment have been disrupted, and uncertainty about the future of the American workplace lies in its wake. Our employment experts are here to help you navigate this new landscape by answering questions related to the pandemic's impact on the workplace.

The discussion will include topics such as the Families First Coronavirus Response Act (FFCRA); the Coronavirus Aid, Relief, and Economic Security (CARES) Act; family and sick leaves; unemployment benefits; furloughs, layoffs, and workshare programs; health and safety protocols; re-opening guidelines and return to work issues.
