Cardozo Law News Brief

Spotlight on News from the Cardozo Community

Professor Betsy Ginsberg Says in Reuters Civil Rights Clinic Victory in Louisiana Lawsuit May Impact Other Prisons

"We've seen lots of states go into protractive and expensive litigation, even when they're taking a losing position," says Ginsberg. "I can't say what they'll do, but I would say they absolutely should voluntarily change those conditions, both because it's the right and humane thing to do, and because it's less costly."

Professor Kate Shaw Tells Newsweek Congress Unlikely to Use Contempt Powers against Trump

"The power hasn't been used in nearly a century, and it's almost unimaginable to me that it would be revived in the context of a president, even a former one," Shaw says.

Professor Edward Zelinsky Comments in Law360 on Recusal of Judge in Maryland Tax Case

"This is going to start now from page one again, because part of litigation is ultimately a process of educating a judge about a case," Zelinsky says. "And if they've just submitted all the briefs, it means they've already invested a lot of time and energy."
