Cardozo Program Earn High Grades from PreLaw Magazine's Spring Issue

CARDOZO PROGRAMS RECEIVE **TOP GRADES** FROM *PRELAW MAGAZINE*

PreLaw Magazine gave Cardozo "A+" grades in their spring 2021 issue, for two categories: Intellectual Property Law and ADR. Cardozo also earned an A in Practical Training. The magazine noted the law school's Indie Film Clinic (now known as the Filmmakers Legal Clinic) which "helps underrepresented voices be heard" on page 43 of the spring issue.

The clinic provides free transactional, intellectual property, and First Amendment legal services to visual advocates, filmmakers, and video journalists working to move the social justice needle and diversify the stories that are told through media. They help filmmakers navigate contractual, legal, and business issues so that their important films can be made and distributed. To empower creators, the FLC provides individual client representation, educational services, "know your rights" trainings for community partners, and pop-up legal clinics.
