Blockchain technology is poised to transform financial services and raise significant regulatory issues at the same time. Join us for a unique conversation with current and former top federal

and state regulators to discuss current challenges facing blockchain technology and the law, featuring:

Rob Cohen - Chief of the Securities and Exchange Commission's Cyber Unit

Dan Gallagher - Chief Legal Officer for Mylan Pharmaceuticals and former SEC Commissioner

Manisha Sheth - Executive Deputy Attorney General for Economic Justice at New York State Office of the Attorney General

Cassandra Lentchner - Deputy Superintendent of Compliance and Regulatory Standards at the New York Department of Financial Services

Aaron Wright - Associate Clinical Professor of Law and Director of Cardozo Blockchain Project at Cardozo Law School; Co-founder of blockchain startup OpenLaw

Harold Gordon - Partner at Jones Day, former Branch Chief, Division of Enforcement, U.S. Securities and Exchange Commission, New York Regional Office, and Adjunct Professor at Cardozo Law

Stephen Obie - Partner at Jones Day and formerly a Regional Administrator, Acting Director of the Division of Enforcement, and Chief Trial Attorney in the New York Office of the CFTC. He currently represents Overstock.com and its financial technology subsidiary t0.com concerning the use of blockchain technology to trade securities
