PROFESSOR JESSICA ROTH IS A GUEST ON CNN NEWSROOM AND BBC RADIO

April 15, 2019

Professor Jessica Roth was a guest on *CNN Newsroom*, discussing Julian Assange's arrest and the future of the case. "Once he's here, things start all over again in term of his relationship with U.S. prosecutors...he's indicated so far he's not inclined to be a cooperative witness," she said.

Professor Roth was also interviewed on BBC's *Newsday* program. She said, "I can't speak to strategically how they made their choices but it is true as a practical matter that the way the charge is framed, it does avoid much of the criticism that this is attacking journalism as it has traditionally been practiced."
