51 Imperfect Solutions:

Book Talk with Judge Jeffrey Sutton, U.S.

Court of Appeals for the Sixth Circuit

*Hosted by the Floersheimer Center for Constitutional Democracy
with Professor Michael Pollack*

Monday, June 22 at 12 p.m.

Discussions about constitutional law invariably focus on the United States Supreme Court and the federal court system, but much of our constitutional law is actually made at the state level. In *51 Imperfect Solutions*, U.S. Court of Appeals Judge Jeffrey S. Sutton argues that US constitutional law should account for the role of state courts and state constitutions in protecting individual liberties.
