Acting Director of National Intelligence Joseph Maguire will testify before the House Intelligence Committee on the process and handling of a whistleblower complaint involving President Trump tomorrow from 9:00 a.m. to 12:00 p.m.

Maguire has thus far refused to relay to Congress as required by law the whistleblower complaint that the U.S. Intelligence Community's Inspector General, Michael Atkinson, deemed "urgent." Atkinson found that it "not only falls within the DNI's jurisdiction, but relates to one of the most important and significant responsibilities to the American people."
