Cardozo BMI Networking Reception

* Required

You are cordially invited to the second annual Cardozo
BMI Networking Reception on

Wednesday, March 4 from 6:00 p.m. to 8:00 p.m.

For the second year, as a way of giving back to all the practitioners who so graciously volunteer their time to judge this competition, we have organized a Networking Reception in the Third Floor Lounge of the Benjamin N. Cardozo School of Law, 55 Fifth Avenue, New York, NY 10003.

Join fellow attorneys, state and federal judges, industry professionals, professors, and students* for an evening of food, drinks, and discussion to kickstart the Cardozo BMI Moot Court Competition. This evening presents a unique opportunity to network, strengthen and build relationships between alumni, practicing attorneys, judges, industry professionals, and the faculty and students of the Cardozo School of Law.

Passed hor d'oeuvres and drinks will be served.

Hosted by the Cardozo Moot Court Honors Society together with the Cardozo Arts & Entertainment Law Journal.

*Students in attendance will be Cardozo Law students who will not be participating in the competition as competitors and will be available to discuss the problem if needed.
