YESHIVA UNIVERSITY

Cardozo School of Law's FAME Center and The Indie Film Clinic present:

"One of Us"

The documentary "One of Us" chronicles the lives of three individuals who have recently made the decision to leave the ultra-orthodox community at the expense of all else, including relationships with their family members and - in one case - their personal safety.

In a panel following the film, moderated by director of The Indie Film Clinic Michelle Greenberg-Kobrin, Bindle& Keep founder Daniel Friedman, Footsteps founder Malkie Schwartz, Footsteps client Oscar Dimant and Cardozo Adjunct Professor of Law Sherry Jetter discuss how Footsteps helps individuals transition to secular life from ultra-orthodox communities.
