An Evening with Design Legend Stuart Weitzman

Stuart Weitzman's passion for design has been a lifelong pursuit: he began working at his father's Massachusetts shoe factory while still in college. After graduating from the University of Pennsylvania's Wharton School, Weitzman applied

himself to the industry with laserlike focus, eventually building the globally-renowned company that bears his name.

Today, his shoes dominate the red carpet events and are worn by loyal celebrity fans like Angelina Jolie, Taylor Swift, Halle Berry, Blake Lively, Beyonce, Nicole Kidman, Selena Gomez, Jennifer Lawrence, Gigi Hadid, Princess Kate and Princess Meghan, and by millions of women who buy them in over 75 countries around the world.

Come spend some time with Weitzman and hear about his remarkable shoe design journey.
