#### Online Platform Liability 10 Years After *Tiffany v. eBay*

Wednesday, September 16 at 6:30 p.m.

Join the Fashion Law Society, the Intellectual Property Law Society, and the Alumni Association's Retail & Luxury Practice Group to celebrate the 10th anniversary of *Tiffany v. eBay*, a case that is one of trademark law's most significant decisions of the past decade. Ten years later, secondary liability for trademark infringement continues to be a point of tension between trademark owners and e-commerce platforms. This panel invites attorneys who represented both sides in the seminal case, as well as amicus brief writers, to revisit the decision and reflect on the development of the secondary liability doctrine over the past ten years. The panel concludes with a discussion of the recently proposed bi-partisan SHOP SAFE act legislation that aims to provide additional protection to trademark owners.

Panelists:

- David Bernstein, Debevoise & Plimpton LLP
- Megan Bannigan, Debevoise & Plimpton LLP
- Randi Singer, Weil, Gotshal & Manges LLP
- Eleanor Lackman, Mitchell, Silberberg & Knupp LLP

Moderator: Lora Moffatt, Chanel
