PROFESSOR JESSICA ROTH WAS A GUEST ON WNYC'S THE DOCKET

October 10, 2019

Professor Jessica Roth was a guest on WNYC's The Docket to talk about impeachment and Rudy Giuliani's role in President Trump's dealings with the Ukraine: "It's possible that Giuliani could be considered a principal in a campaign finance violation because the campaign finance laws make it a crime to solicit or accept anything of value from a foreign entity," Roth said.
