## PROFESSOR KATE SHAW APPEARED ON GOOD MORNING AMERICA AND THIS WEEK TO TALK IMPEACHMENT AND PROCESS

October 10, 2019

Professor Kate Shaw appeared on *Good Morning America* September 30 to talk about the possible impeachment of President Trump, saying, "The whistleblower complaint this week is the beginning of a process. And the Democrats on the Hill are going to want access to information and to testimony...they're going to be pretty focused on what they ask for. And I think we're all going to be watching closely to see what the White House does."

Professor Shaw also appeared on *This Week with George Stephanopoulos* on October 6: "I think President Trump would clearly like this debate to be framed in those terms-was there a quid pro quo and he hopes that the answer is that no evidence will emerge to establish a quid pro quo."
